

NEWFOUNDLAND & LABRADOR BRAIN INJURY ASSOCIATION

October 20th, 2021

Dear friends and supporters,

The Newfoundland and Labrador Brain Injury Association (NLBIA) is holding its 12th Fundraising Dinner and Dance on Friday, November 26th at the CLB Armoury on Harvey Road beginning at 7PM.

Brain Injury continues to be the number one disabler and killer of those under 40 years of age. The main objective of the NLBIA is to improve the quality of life for survivors of brain injury, their families, and friends.

You won't want to miss this year's dinner with the amazing Brian Way as the dinner entertainment and Stan the Man Butler providing the music for the dance. We will also be holding a silent auction and our 50/50 ticket draw at the dinner. If you would like to donate an item for the auction, you can contact Debbie Hanlon at debbie@debbiehanlon.com.

Tickets for this event are \$75 each or \$560 for a table of eight. For dinner, you will be given the option of stuffed chicken breast served with mashed potato, turnip, peas, and carrots or baked salmon with dill sauce served with roasted potatoes, glazed carrot, and steamed broccoli. Both options are served with a dessert of New York style cheesecake and tea or coffee.

Your support and participation will enable us to provide services and support to brain injury survivors and further assist in increasing public awareness and education on brain injury.

For further information and reservations, please call our office at 221-1288 or email coordinator@nlbia.ca.

Thank you for your support and we look forward to seeing you on November 26th at the CLB Armoury!

Sincerely,

Cassandra Stockley
